## About LINGOAMO

Lingoamo is an online language school that offers English, Portuguese, French, German and Spanish languages delivered through personalized one-to-one sessions and interactive group classes on our cutting-edge digital platform.

Our expertise extends beyond standard language courses; we offer customized training for both employees and managerial staff, aligning with their unique corporate requirements. Furthermore, we cater to individuals such as expats and their families.

Lingoamo is the perfect solution for those seeking the highest quality language tuition but have little time for face-to-face lessons due to busy schedules.
